REESE KITCHENS

Open at the Indiana Design Center

Embarking on a kitchen remodel or building from the ground up? Simply put, it is no easy task and one with a myriad of decisions to make, but your dream kitchen is definitely worth the effort. The good news is that you can see and choose from many options including cabinetry color and style, countertop, tile, faucets, plumbing fixtures and lighting all in one place.

Reese Kitchens, a Ferguson Company, has opened a 5,000 square foot showroom on the second floor of the Indiana Design Center. The new showroom continues the tradition of Reese's prominent kitchen cabinetry design services that cater to the residential design market. With more than 35 cabinetry vignettes featuring national and custom cabinet brands like MasterBrand Cabinets and Mouser Custom Cabinetry, the showroom is a one-stop shop for kitchen design of all styles.

“Reese conveniently offers the state’s largest selection of custom and stock cabinetry, state-of-the-art appliances, stylishly practical countertop materials, and personalizing decorative hardware.”

- Jeremy Konechne, Showroom Manager

The Reese Kitchens showroom is open to the public and has design consultants dedicated to assisting its clients. “We welcome visitors to stop in for inspiration, and invite you to schedule an appointment with a Reese Kitchens designer to begin your dream project,” shared Konechne. ❄

Open Monday through Friday 9 a.m. to 5 p.m., Saturday 10 a.m. to 5 p.m. reesekitchens.com | 317-580-0179
